Benson, Metayer UNANIMOUS

---

Larry -

assignments coming out, Monday 20th, 22nd are very busy HS days, keep open if you can.

4 teams playing on Memorial Day (1pm and 4pm), 28th / 29th not as many games, Wednesday 29th is end of HS regular season. Few championship games and scrimmages after 29th. Keep cal. up to date.

---

Barry. Erik Nelson / Dan Brown thank you! picked up games today that was a huge help. Babe Ruth you can work behind the mound.

---

Randy - Get your evaluations in! can do them now. Reminder apprentices do not do evaluations (if done Randy deletes them). Trend of giving all 10's is cheating the system, take time and give a fair evaluation. 10's to everybody will likely result in going to ethics committee. Colors of shirts, only black is required, other colors are nice to have but black is only one required.

Randy

Darren brought up sitting in lot after game for 5-10 mins to talk w/ partner about the game and situations not just thru evaluations.

Good comments in ratings are appreciated and encouraged.
