

New Balance Select League

Maine Program Directors:

With the mask mandate being lifted in Maine we are adjusting our NB Select league rules regarding masks in Maine.

1. Players do not have to wear a mask while they are actively playing.
2. All players and coaches will need to wear a mask in the dugout if they can not keep a 6 ft distance.
3. Coaches do not have to wear a mask if they can keep their 6 ft distance.
4. Coaches should pull up their mask when they are huddled up with their team or can not keep a 6 ft. distance with a player.
5. Parents do not have to wear a mask unless they can not keep a 6ft distance from each other.
6. Parents do not have to wear a mask around family members.
7. Umpires have to pull up their mask when they are in a huddle with the coaches. They do not have to wear a mask umpiring the game.

If any player, parent or coach feels unsafe then they can wear a mask at all times. Masks should be worn in any team huddles or meetings. If a Maine team plays a Massachusetts team in Massachusetts then they have to follow the Massachusetts guidelines (wear a mask at all times) until further notice.

Thanks
